Dear Valued Health Plan Member:

CHRISTUS Health Plan Generations values the importance of collaboration and coordinated action for the identification and care of members exhibiting signs of COVID-19, which is why we continue to follow CDC guidelines and work in partnership with local, state and federal government authorities. We are committed to responding to the needs of members in the safest manner necessary.

COVID-19 is a respiratory illness that can spread from person to person. The virus is spreading mainly between people who are within 6 feet of one another through respiratory droplets produced when an infected person coughs or sneezes. It may also be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own face.

Patients with COVID-19 have had mild to severe respiratory illness with symptoms of fever, cough and shortness of breath. If you develop symptoms or have traveled from an affected area, there may be restrictions on your movements. Call your health care provider and tell them about your travel and symptoms you are experiencing. They will give you instructions on how to receive care without exposing other people to illness.

In accordance with Centers for Medicare and Medicaid Services, CHRISTUS Health Plan Generations will cover COVID-19 testing for our members. Any members who test positive or self-quarantine will be able to receive more than a 30-day supply of maintenance medications from their pharmacy.

You can protect yourself from illness with everyday preventive actions, such as avoiding close contact with people who are sick and washing your hands often with soap and water for at least 20 seconds. If soap and water are unavailable, you may use an alcohol-based hand sanitizer with at least 60% alcohol. The CDC recommends that you avoid crowds, cruises and non-essential air travel. If an outbreak occurs in your community, please stay home as much as possible.

If you have symptoms consistent with COVID-19, contact the New Mexico Department of Health immediately at **505.827.0006**. For the most up-to-date information regarding COVID-19, please visit **CDC.gov/COVID19** or **cv.nmhealth.org**.

CHRISTUS Health Plan complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. CHRISTUS Health does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.
