| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall <a href="#">deductible</a> ?                                | \$2,600/Individual or<br>\$5,200/Family   | Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .  |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. Preventive care and primary care services are covered before you meet your deductible.   | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other <a href="#">deductibles</a> for specific services?              | No  | You don't have to meet <a href="#">deductible</a> for specific services.  |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | \$4,150/Individual or<br>\$8,300/Family   | The <a href="#">out-of-pocket</a> limit is the most you could pay in a year for covered services.   |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | <a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.  | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .   |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="https://www.christushealthplan.org/provider-search">https://www.christushealthplan.org/provider-search</a> or call 1-844-282-3025 for a list of <a href="#">network providers</a> . | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing).   |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | No  | You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .  |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
